Choice A

Ariel from *The Little Mermaid*

A Disney Movie

Have you ever looked at the world and felt like you don't belong? Like there's something missing, something you can't quite put your finger on? That's how I feel every day. I live under the sea, but my heart is up there, in the world above.

I've always been fascinated by humans, their culture, their music, their... legs. And I've always dreamed of seeing them up close, of being a part of their world. But my father, King Triton, he's always been so overprotective, so strict. He thinks the humans are dangerous, that they'll only bring us harm.

Choice B

The Cat in the Hat from *Seussical*

A Musical

I can see that you've got quite a mind for your age! Why, one think and you dragged me right onto the stage! Now, I'm here, there is no telling what may ensue.... With a Cat such as me and a Thinker like you! Oh the things you can think! Oh the things you can think if you're willing to try... Thinking invisible ink! Or a Gink with a stink! Or a stair in the sky if you open your mind, oh, the things you will find, lining up to get loose... Oh, the things you can think when you think about Seuss!
